About me

Hello! I'm Serhii and I'm front-end developer. I don't have much commercial experience, but five years of experience with HTML and CSS, and two years of using JavaScript allows me to handle just about everything. I am looking for a company that has interesting projects, there is an opportunity for further development and professional growth.

My projects

Webium OS .... [HTML5, CSS/SASS, JavaScript, React, Redux, AJAX, RestAPI]
Panther DB .... [HTML5, CSS/SASS, JavaScript, React, Redux, AJAX, RestAPI]
Ukrcottage .... [HTML5, CSS/SASS, JavaScript]
Wars Of Dots .... [HTML5, CSS/SASS, JavaScript]

More projects on GitHub: https://github.com/PylSerg
